

## Graduate Students and Professional Students

### Where to go for assistance if you are a graduate student/professional student applying for a fellowship depends on the Sponsor.

- Federal sponsors and other domestic and foreign government sponsors ? Research Management Services (RMS). [Click here to find support.](#)
- Industry sponsors ? Industry Contracts Division (ICD). [Click here to find support.](#)
- The Graduate Division manages Non-Federal Fellowships and all predoctoral fellowship programs that award students independently of their institutional affiliations, listed below but not limited to (does not include support paid to medical students):
  - The Department of Homeland Security (DHS) Fellowship
  - NSF Graduate Research Fellowship (NSF-GRFP)
  - Department of Defense (DOD) National Defense Science & Engineering Graduate (NDSEG) Fellowship

For guidance please go to the Graduate Division website on [How to Apply for Extramural Fellowships](#).
