Updated Guidelines for Enhancing Diversity and Creating Safe Environments in Conferences Supported by NIH Grants and Cooperative Agreements

Feb 8, 2021

NOT-OD-21-053 updates the guidance on enhancing the diversity of conferences supported by NIH under R13 and U13 activity codes and replaces guidance in NOT-OD-03-066.

The Notice updates the policy for NIH-supported conferences/scientific meetings to include:

- Plans to enhance Diversity are included in the application (see NOT-OD-20-031 NIH Interest in Diversity)
- Strategies that seek to prevent or mitigate the effects of discrimination and harassment, sexual and otherwise (see NOT-OD-15-152 Civil Rights Protections)

Please see NOT-OD-21-053 for details in each area and where to send inquiries.
