NIH Other Support and Biosketch
Updated FAQs and Instructions – Notable Changes

Other Support FAQs

- NIH does not require disclosure of recently **completed** support in Other Support submissions, only current and pending resources.
- Other Support submissions must be submitted as a flattened PDF, after all signatures are obtained. **A typed name is not an electronic signature and is not acceptable.**

Biosketch FAQs

- The Biosketch must include all **current** positions and scientific appointments. It is not required to list all positions a researcher has ever held.

Please go directly to the NIH website for the Biosketch and Other Support for the updated instructions and samples.
