**University policy defines Principal Investigator (PI) Status as the eligibility to submit proposals for research, training, or public service contracts or grants to extramural agencies, subject to approval of the appropriate department chair/ORU director.  Individuals who submit applications to the Institutional Review Board (IRB) and the Institutional Animal Care and Use Committee (IACUC) must also hold PI Status.**

**Academic appointees in the following title groups are eligible to submit proposals for extramural support by virtue of their appointment, provided that they have received the approvals mentioned above:  1) Academic Senate Members: Professor series (Ladder Rank, In Residence, Clinical X), including Emeriti; 2) Appointees salaried at 50% of full time or more in the Adjunct, HS Clinical or Professional Research series; or 3) Appointees in the Librarian series.**

**Individuals who are not eligible for PI status by virtue of their appointments must be approved for PI status. For contract and grant proposals, PI status is granted by Chair or Chair delegate in eProposal as part of the approval process. This is in addition to assuring that adequate facilities and resources are available for the entire project. For IRB and IACUC applications, request PI Status with this form.  This completed form must be submitted with the application to the IRB or IACUC, and a copy of this form should be included in the project file.**

Department:

Name of Candidate for PI Status:

  Highest Degree:

  Current Appointment:                                 % Time:

  Proposed Appointment:                              % Time:                        Effective Date:

Select Committees (can be more than one):

IRB                 IACUC

Project title(s):

Was PI Status approved in the eProposal application(s) for all Protect title (s) above?

Yes          No

If Yes, Please provide the P#(s)

Provide a brief explanation for requesting PI Status
